

Financial Aid Application 2016

- 1)** You may register your child(ren) for camp while your financial assistance application is pending. Please send the registration form and this application in the same envelope with a \$100 deposit per the instructions in the registration form.
- 2)** If you do not receive enough financial assistance to meet your needs, you are under no obligation to enroll your child and your deposit will be refunded to you in full, minus a \$25 processing fee.
- 3)** If you choose to enroll your child(ren), the full (or adjusted) tuition amount and any other required fees will be due by May 1.
- 4)** Extended payment plans are also available by request.
- 5)** In order to help defray the costs of our financial aid program, we require families receiving assistance to participate in a tuition exchange program and volunteer a minimum of three-hours for each \$100 they receive in aid. Participation in this program is necessary in order to receive assistance, unless a family has circumstances which limit their availability and obtains a waiver from our administrative offices.

In order for your application to be evaluated, the following Income Verification must be provided in the form of:

- 1)** A copy of your most recent pay check stub or income receipt
- 2)** A copy of your most recent paid tuition bill and current grant and/or loan documents, if you are a student.

Please attach a verification of your income with this form and return it with your camp registration form. You may also include a typed or hand-written document describing your circumstances and why aid would be necessary or helpful to you.
